

Fall 23-24 Prices and Fees

We are happy to have you in our Vibe Tribe. We build confidence, team unity, and athletic ability through dance. Everyday we challenge our students to become the best versions of themselves all while having fun. We pride ourselves on being a family, friendly studio.

REGISTRATION FEE

When enrolling for classes you will see a registration fee of \$25 per dancer, not to exceed \$50 per family. Registration fees help to cover the administrative costs of dance, insurance and all that fun stuff to prepare for the year!

SHOES/WARDROBE

All Teams are required to purchase the designated shoes. Jazz, Ballet and Tap shoes will be available to try on and order during wardrobe week August 14-15. We will be lenient about shoes the first few weeks of class. Required Hip Hop shoes will be determined in November (after costumes are picked- the shoes make the costume)! Each parent is required to purchase the correct shoes for performances. For ballet, we require our dancers to wear a black leotard, and pink tights unless otherwise noted. We also have optional team jackets, team sweats and other Vibe gear for those dancer's wanting to represent at competition and elsewhere in the community.

CHOREOGRAPHY

We are grateful for our instructors and outside choreographers that come in to teach our dancers their routines. This is extra time on their part to create beautiful and challenging pieces. You will see an associated charge to compensate them for their time in creating your dancer's routines.

COMPETITION

Each competition sets its own studio entry price and charges their own set of fees. One thing remains certain- because we pay to compete, audience members are able to attend at their own convenience free of charge. ALL FANS ARE WELCOME. We compete at events that are reasonably priced, and competitive. I have given my best estimate, based on last year's prices, below. A small amount also goes to your dancer's instructor for the time they take to be there to coach at these large events.

RECITAL FEE

A recital fee of \$25 per dancer will be billed May 1st to cover a recital t-shirt, and venue supplies.

TUITION POLICY

Tuition is due by the 1st of each month. We accept credit cards. If payment has not been paid by the 10th, a late fee of \$10 will be added to your account. This is our Studio policy. Family payment plans are available and can be organized through Mattie.

CONVENTION

This year our Minis-Elite will be attending a convention. ANY OTHER DANCERS ARE WELCOME TO ATTEND WITH US! A dance convention is a two day dance event where dancers from the region gather to take classes with professionals in the industry. The energy in the room is incredible. Our dancers will catch the vision for themselves and will walk away inspired. This is an incredible opportunity to work with professionals and see trending moves and learn new skills. This will also prepare our dancers with the skills they need to audition for future events as wanted.

We will be holding a few community camps this year- we are bringing the professionals to YOU!

Friday September 22: Turn Intensive and Muvmethod Stretch Class with Laila Hardman!

My college teammate was coached by her and it was common for her to do 8-10 pirouettes. Laila is currently on tour with NRG Convention and is a director with Muvmethod. I'm looking forward to learning from her. I've been on cloud nine that she is coming to our space to work with the dancers in our region.
